Dear Family,

I pray that this communication finds everyone well.

At this time, preparations for the 2018 Ash- Robinson Family Reunion are moving ahead at full steam. The Family Reunion Committee officers are in place and are busy working to put everything in place to make our 2018 reunion a success and enjoyable for family and friends.

The Ash Robinson website is up and functioning. I encourage everyone to visit the site by typing:

[www.ashrobinsonreunion.com](http://www.ashrobinsonreunion.com)

Type the address in the search engine field on your computer. It will take you directly to the Ash Robinson Family page.

The Webmaster worked extremely hard to create this page for us. I hope that each of you will love the page as much as I do and access and use it regularly. This page will be our primary form of communication. The webpage is up for your review and for you to add contact information, RSVP for the 2018 reunion, sign the guest book and contact us, there are a few tabs that are not up for use as of yet. Those tabs are: Dues and payments tab and hotel reservations tab. We will have the dues and payment tab functioning by end of year and the hotel reservations tab will be available in 2017 once a hotel has been selected.

The family directory will house all of your personal information. Your profile data will be used to contact you and send information regarding anything pertaining to the reunion.

Because your personal information will be hidden for security reasons, I encourage you to upload a profile picture when you set up your profile on the website. When a family member or friend access the directory and wish to contact you, your picture will be used to identify you. They will be able to click on the send a message link and send an email directly to you.

We have created The Constitution and Bylaws that will be used to govern all reunions going forward. It is listed on the Bylaws tab. I encourage you to go to the Bylaws tab and read the Constitution and Bylaws in full.

We have all agreed that our past reunions have allowed us to come together as a family and bond in love. We took away memories and made family connections that will last us a life time.

In order for us to have a successful reunion in 2018 and going forward, the Reunion Committee have discussed all the successes and failures of the last two reunions and concluded that if we want to continue these cherished reunions, we must set up the collection of dues. Dues will be paid during the off year prior to the upcoming reunion. Dues for the 2018 reunion will be paid from January 1, 2017 thru December 31, 2017. All dues must be paid by December 31, 2017. Dues can be paid during that time monthly, quarterly or in full.

Dues will be paid as following:

Adult - \$10.00 per month

9- 17 years - \$5.00 per month

8- 4 - \$2.00 per month

3- Under - free

Dues collected will be used strictly to fund the reunion. Participants are still responsible for paying for their own hotel rooms and activities not covered by reunion dues. The Committee is still finalizing a few things but soon you will be able to pay your dues on line at the website or mailed directly to the designated person. The Treasurer and Assistance Treasurer are in the process of setting up the account. The Finance Officers will work directly with the Host Chapters (Please refer to the Bylaws regarding Host Chapters) to fund the reunion in their city.

I am going to close at this time because I do not want to overwhelm you with so much information during our first communication. My Prayer is that each of you will see this as a labor of love and want to continue this journey with us as a family. We will update you often as we progress with plans for 2018. Please forward this communication to as many family and friends of the family as possible.

With Deepest of Love,

Patricia Jones Hubbard  
2018 Reunion Committee President
